You must be a NAGS member at the time of award application (that means before 14 days prior to the conference). If you are not sure, do not presume that you are a member because your employer/organisation is a member. If you have not personally taken out individual membership, check with your organisation/ employer that you have been named as a member or with the NAGS Secretariat.

Attach your abstract.

If you have not yet done so, you will need to register and pay for your attendance at the Conference. Special student registration rates are available.

Attach a photocopy of your current student id card with your completed application. If the period of currency is not obvious on the card, please enclose some form of documentation to verify period of student candidature.

Your application, comprising this form, your abstract, and proof of studentship must be lodged with the NAGS Secretariat via email no later than 14 days prior to the commencement of the Conference. All applications shall be acknowledged on receipt.
